

Willow Coffins

Our standard willow coffins are in a golden brown colour. Plyboard can be fitted to the underside of each coffin to facilitate the cremation process.

A full range of sizes are available (including infant and child sizes) up to 6'10" in length and 25" wide.

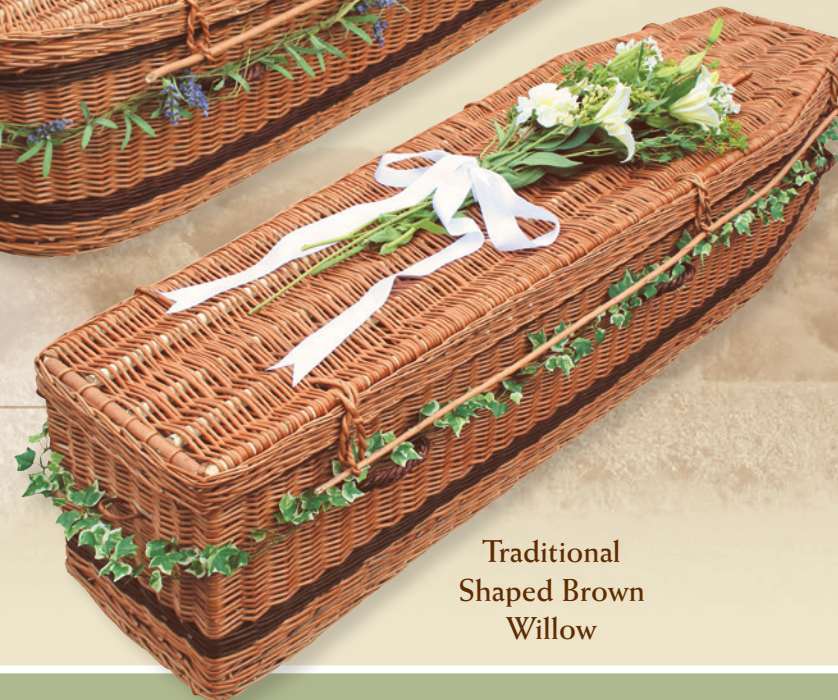

Each coffin will carry up to 350lbs in weight.

We can supply and fit waterproof Calico liners complete with a cotton frill. Bespoke nameplates can also be inscribed and attached by us.

Hearse & Cart

Putting the cart before the hearse?
Two alternative ways to transport the departed on their final journey.

A traditional coffin cart made by us and ideal for use in Natural Burial Grounds or an environmentally friendly, 100% electric, Eco-Hearse (developed by Leverton and Sons) for a more conventional mode of transport.

Slight colour variations may occur due to the use of natural materials.

ENVIRONMENTALLY FRIENDLY COFFINS

Established in 2001, FTP Eco-Coffins Ltd is one of the UK's leading suppliers of environmentally friendly woven coffins.

Oval Shaped
Light Willow

Light Willow Coffins

All our light willow coffins are a natural creamy-white in colour and are an increasingly popular choice. Again a full range of sizes are available.

Traditional Shaped Light Willow

Ashes Caskets

We can offer a selection of lined ashes caskets in brown and light willow, seagrass or bamboo.

Seagrass Coffins

Our seagrass coffins, complete with flower rings, seagrass poles and woven handles, are light brown and beige in colour with a subtle hint of green. They are suitable for burial or cremation.

Traditional Seagrass

Oval Seagrass

Water Hyacinth Coffins

Our water hyacinth Coffins are skilfully woven in warm, subtle brown hues. They meet all the necessary criteria for truly green burials – their harvest actually aids the environment as the water hyacinth is a weed which has to be controlled.

Oval Water Hyacinth

Oval Shaped Medium Oak

A medium oak veneer oval coffin with load-bearing handles, constructed from FSC certified materials, using reconstituted wood and formaldehyde-free wood adhesive. Made by our skilled craftsmen near Tenbury Wells in Worcestershire.
